About RS Global...

RS Global Life Sciences, a renowned name in the chemical industry for the past 7 years, has established itself as a trusted and innovative leader. Under the visionary leadership of its Founder, the company has consistently upheld the highest standards in quality, service, and customer satisfaction.

A rapidly growing enterprise, RS Global Life Sciences is committed to delivering top-notch chemical products that meet global benchmarks. With a focus on excellence, reliability, and continuous innovation, the company has been spiralling high — setting new milestones in performance and customer trust.

Driven by a passion for progress and precision, RS Global Life Sciences continues to expand its footprint while staying true to its core values of integrity, quality, and customer-centricity.

Late Shri Rajiv Sharma
Founder

With a career in the cosmetic and personal care industry since 2002, Mr. Rajiv Sharma was a dedicated professional known for his expertise, integrity, and commitment to excellence.

His journey led him to establish RS Global Life Science, a company that became a trusted name in the distribution of cosmetic raw materials. Through his leadership, the business has thrived, standing as a testament to his hard work and vision.

RS Global Life Science continues to uphold his legacy, ensuring that his dedication and values remain at the core of the business. As the firm transitions into a new chapter, his contributions to the industry and the impact he made will always be remembered and cherished.

It gives me immense pleasure to introduce myself as the Director of R S Global Life Sciences. Over the past 7 years, RS Global Life Sciences has grown into a trusted name in the chemical industry, known for our unwavering commitment to quality, innovation, and customer satisfaction.

Our journey has been marked by continuous growth, guided by high standards and a strong service ethic. We take immense pride in delivering reliable and quality-driven solutions that meet the evolving needs of our clients.

As we continue to expand and evolve, our focus remains clear — to set new benchmarks, build lasting relationships, and contribute meaningfully to the industry.

With a dedicated team and a shared vision, we are confident in our path forward — spiralling higher, together.

Indu Sharma
Director

As the Director of RS Global Life Science, it is both an honour and a privilege to lead a company that is redefining the benchmarks of excellence in chemical industry. At RS Global, we are committed to provide high quality chemical products in a competent rate. Our strong industry partnerships further provide our customers a high quality product. We have almost 268+ products and counting.

We also pride ourselves on our inclusive and supportive customer service, where customer satisfaction is our priority.

I request you to give a chance to serve.
